**ADJUNCT PROFESSORS ARE NOT LISTED****DRESS CODE**

The goal of the School of Automotive Machinists & Technology is to prepare its students to accept a responsible and professional position in the automotive industry. In addition to technical competence, the potential employer will be highly concerned with finding positive attitudes in regards to appearance, dependability, attendance, a good work ethic, and, of course, safety. To this end, the School of Automotive Machinists & Technology has adopted the following dress code for safety and appearance reasons. Failure to abide by this standard may result in a student being asked to leave. The time missed will be considered an unexcused absence.

**SHIRTS:** SAM Tech uniform shirts must be worn at all times while at school. Shirts must be tucked in.

**PANTS:** All students must wear either black, brown, or dark blue Dickie style workpants, cords or blue jeans. Shorts, military pants or athletic apparel are not acceptable.

**SHOES:** Hard leather shoes, boots, athletic safety shoes must be worn at all times while in school.

**CAPS:** Baseball caps are the only hats that can be worn at school. Caps other than those issued by School of Automotive Machinists & Technology must be approved by the administration. Caps must be worn with bill facing forward.

**HAIR LENGTH:** Hair must be cut in such a manner as not to touch the collar of a standard SAM Tech uniform shirt. Hairstyles are at the discretion of the administration.

**MUSTACHES & BEARDS:** Acceptable if neatly trimmed.

**JEWELRY:** Jewelry of any type is not permitted (earrings, body rings, necklaces, etc.)

**SAFETY GLASSES:** Safety glasses required to be worn at all times in all shop/lab areas.

**STUDENT COMPLAINT/GRIEVANCE PROCEDURE:**

Please see School Catalog regarding the School of Automotive Machinists & Technology Student Complaint/Grievance Procedure.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

Accrediting Commission of Career Schools & Colleges  
2101 Wilson Blvd., Suite 302  
Arlington, VA 22201
